Dear Members of Bryant
Service Club,

Your letter and
package of candy were
very much appreciated.
It is nice to keep
informed on what is
happening and "sweets"
always hit the spot.

Finished our training
at Cedar Falls shortly
after Easter and we
are now on the job

all over the country.
I came down to Washing-
ton with some other
Waves after a leave.
Am now a seaman
first, striking for my
yeoman rating. We are
all very proud of our
three stripes.

Lights go out shortly
and I have never tried
writing in the dark
so will close.

I haven't been
assigned yet so am

quite excited wonder-
ing what is in
store.

Sincerely,
Ethel Wa Gas
